

Fall Sports Parent Obligation Form

It takes the involvement of many people to organize and operate Homeschool Unified of Sports Teams of Lafayette athletic programs. In order for programs to run as smoothly and professionally as possible, we need every family to help in some way. There are many tasks to be carried out, some at away games, many at home games. Below is a list of team responsibilities. Each family needs to choose two. In the spaces provided, place a "1" beside your first choice and a "2" beside your second choice. Also please indicate the team you would be willing to provide this help for, such as "Varsity Volleyball" or "Soccer."
